

Customer and Stakeholder Engagement: Oakham

On 30 November 2022 we announced the closure of 114 branches, including our branch at Oakham. The following provides detail of the stakeholder engagement we have undertaken, and feedback received, since our announcement.

Customer and stakeholder contact

We have written to all regular users of this branch to keep them updated on the branch closure, the most recent letter being on 19 February 2024. The letters advised customers of the reasons behind our decision and effective date of closure. They also provided customers with details of the nearest alternative HSBC UK branch, alternative ways to continue to access their usual banking services and how to access the closure Impact Assessment.

We wrote to Alicia Kearns, constituency MP, on 30 November 2022 and 19 February 2024 to advise of our decision to close the branch and offered to meet to explain the reasons and how we would be supporting all our customers during this period of change.

At announcement we also wrote to a number of key stakeholders. These included:

- Post Office
- HM Treasury
- Cash Action Group
- CBI
- British Chambers of Commerce
- Which?

On 19th February 2024 our Local Director additionally wrote to the following key local stakeholders to advise of our decision to close:

- Rutland County Council Leader - Gale Waller
- Chairperson and Mayor Oakham Town Council - Sally-Anne Wadsworth
- Rutland Chamber of Commerce
- Oakham Library
- Leicestershire & Rutland Age UK
- Alzheimer's Society
- Citizens Advice
- Community Money Advice
- RNIB
- Rutland Wellbeing Service
- Rutland House Community Trust

Rutland Healthcare Support within Rutland We published an Impact Assessment on our public website. The assessment provides further details on the reasons behind our decision, the information used, the nearest HSBC UK and Post Office branches, alternative ways to bank and how to contact the bank for additional support. Posters have been displayed at the branch with information on the nearest HSBC UK branch and cash machine as well as the nearest Post Office counter.

We provided extensive training to our branch teams in order that they could fully support both personal and business customers with accessing alternative ways to bank. Following this training our branch staff have been proactively engaging with customers, particularly those who are reliant on the branch services, to help them look at the alternatives that are available, including the services provided by the Post Office.

We have also been engaging with the nearest Post Office counters to the branch to ensure they know we are closing, are aware of the services they can provide to our customers and to address any queries or concerns they may have in meeting the needs of our customers.

Customer and stakeholder reaction/feedback

- We have written to Alicia Kearns, Constituency MP and have stayed in regular contact to ensure she is aware of all updates with regards to the closure date of the branch.
- General customer sentiment was disappointment that the branch was being closed as they do not want to travel further to access branch services. The staff within the branch have been actively supporting these customers and discussing the counter services available at the newly opened Banking hub and local Post Offices, as well as other alternatives.
- Calls to vulnerable customers have been well received and they have generally welcomed the opportunity to discuss the branch closure as a follow-up to the letter they received. During these calls we have taken the time to understand our customers' specific circumstances, which has allowed us to provide our customers with information on the services that may be suitable for them.

Follow up action taken

- Branch staff have visited the local Post Offices and Banking Hub to ensure they are aware of the closure of Oakham branch and to understand the services they can provide to our customers.
- The branch have supported customers who have no access to a compatible device for online banking through our community tablet programme, ensuring they are

able to get online and educating them in how to navigate online and mobile banking.

- We have offered customers the opportunity to attend a HSBC@Home session focused on alternative ways to bank. HSBC@Home is our digital education programme and has been designed to educate and upskill customers on a range of topics from digital tools and services to fraud and financial fitness.
- All staff in Oakham branch have received vulnerable customer training, to upskill them in holding in-depth conversations to support our customers in finding alternative ways to bank.
